The Moen® three-step Pro-Fit Installation System is the simple, most innovative way to mount bath accessories. Installation is as easy as 1-2-3.

1. **DRILL IT**
The innovative template has a built-in level for accurate drilling of pilot holes for both 18” and 24” towel bars or paper holders.

2. **SCREW IT**
The single-screw mounting system creates a fast and solid installation.

3. **CLICK IT**
The locking tab clicks to hold the post firmly in place and eliminates the need for a set screw.

**PRO-FIT INSTALLATION SYSTEM**

*IT REALLY IS THAT SIMPLE!*

Plus, we’ve eliminated the set screw. Designed with input from professional installers, the Pro-Fit Installation System was made for faster installation and fewer callbacks. And of course, there’s the extra assurance of quality that comes with the Moen brand.

To view online installation videos, visit moenpro.com/resources/video-library

The Pro-Fit System eliminates set screws for faster, easier mounting. There’s even a template with a built-in level.
